Dear Kabeer Ahmed,

I am so happy to invite you to Convocation ceremony which will take place on the 07th of December 2019 at **NED University**. Please join me as I celebrate this major milestone in my life journey.

I have been awarded a Master of Engineering in Electrical and Electronic Engineering. I would like to take this opportunity to add that I you have played a major role in my success today. You constant support and advice and your example as a leader helped me a great deal.

Therefore it would mean a lot to me if you could grace the occasion with your presence as I believe that for me, the graduation ceremony would not be complete without your being there to witness it.
